

Kalos Hair Restoration: The first of its kind in Atlanta, offering the most advanced hair transplants from a board certified plastic surgeon.

Kalos Hair Restoration gives patients the results, plus the comfort and convenience, of minimally-invasive methods and advanced hair restoration technology. **This is because Dr. Ben Stong is passionate about helping you regain a confident lifestyle and youthful appearance with a fuller, thicker head of hair!**

Dr. Stong is an experienced and reputable plastic surgeon who utilizes the most advanced techniques to deliver the best possible outcome.

Capitalizing on the safety and effectiveness of your body's natural regenerative process, we proudly offer the following advanced non-surgical hair loss treatments:

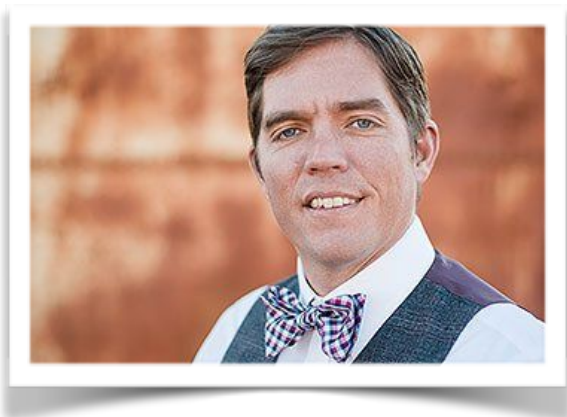

- PRP Hair Loss Treatment
- Micro-droplet Fat Stem Cell Injections,
- Bone Marrow Stem Cell Hair Loss Injections, and

- Microneedling Hair Loss Treatments.

Both men and women experience hair loss, primarily due to aging and/or heredity. At Kalos, we treat all types and severities of hair loss with superior, patient-centered care. **Our NeoGraft follicular unit extraction technique is the most revolutionary method available**, giving patients natural and long-lasting hair restoration from their own harvested follicles.

From the moment you arrive, our team will take the time to ensure that you are well-informed on your hair transplant procedure as well as what to expect following surgery.

We look forward to eliminating your hair loss concerns and helping you regain a more confident look!
