

Q: What is **The K Spa**?

A: The K Spa is a five star medical day spa offering non-invasive cosmetic and facial rejuvenation treatments overseen by a dual board certified facial plastic surgeon and a licensed aesthetics nurse

From state-of-the-art laser treatments and platelet rich plasma hair restoration to bruise-free injectables and invigorating facials for skin rejuvenation/tightening, The K Spa offers everything you need to rejuvenate your appearance and renew your confidence with little to no downtime, including:

- **Botox Wrinkle Treatments**
- **Bruise Free Facial Fillers**
- **Chemical Peels**
- **Laser Skin Treatments**
- **Profound Microneedling**
- **Nonsurgical Fat Reduction Skin Tightening**
- **Non-medical Spa Services, and**
- **Platelet Rich Plasma Treatments**

The K Spa: from the moment you walk in our doors until your final goals are achieved, we will go above and beyond to ensure you are pampered and rejuvenated. With services backed by the latest products and technology in the industry, our patients enjoy a highly rewarding experience and superior, natural-looking results.

So whether we are brightening your complexion for a big event or addressing the effects of aging, we are confident that we can provide the standard of care you need and deserve.
